

MSU Undergraduates Present Summer Research

By FOX 47 News

CREATED JUL. 11, 2013

MSU undergraduate researchers will present their work at the [2013 mid-Michigan Symposium for Undergraduate Research Experience](#). Mid-SURE will be held July 24 at the Breslin Center.

The event provides MSU students involved in research an opportunity to share their work with peers, faculty and other audiences.

Mid-SURE is a collaborative effort between the Undergraduate Research Office, the Graduate School's Summer Research Opportunities Program, the College of Engineering's Summer Undergraduate Research Experience, the BEACON Center for the Study of Evolution in Action and the MSU Research Education Program to Increase Diversity in Health Researchers.
